

Navajo County Emergency Management will keep a telephone line available for calls from residents reporting property damage in the un-incorporated areas of Navajo County. The number is: 928-524-4790. Please note a voicemail has been set up with this number for residents to report damages caused by the severe snow storm beginning January 21, 2010.

For Damage Assessment information, if you reside within a town or city boundary (non-tribal jurisdictions), please call:

Town of Pinetop/Lakeside	928-368-8885
City of Show Low	928-532-4061
Town of Taylor	928-536-7945
Town of Snowflake	928-536-7103 ext. 255

Please have as much information as available about the damage you may have sustained during the recent storms. The following information is needed to report any damage related to this storm (**not pre-existing damage or deferred maintenance**):

- Name of owner
- Location/address and telephone number
- Residential or commercial
- If residential, indicate whether it is a primary or secondary home
- Brief, but good description of damage
- Whether or not the owner has insurance
- Ballpark estimate of the cost of repairs
