

EXCESS REFUSE

As a service to our customers the City provides excess refuse pick up four times a year. This includes picking up items that are no heavier than 50lbs, no longer than 4ft in length, and everything must be bagged, boxed or bundled for pick up.

Pick ups will be done on your regular garbage day, unless it's a holiday week then your pick up will be moved back one day.

Dates for 2009:

March	2nd-5th
May	25th-28th
September	7th-10th
November	16th-19th
