

**February 12 & 13, 2010**

# Outdoor Workshops on Leadership

**1<sup>st</sup> Annual**

**Conference**

Connecting with nature and learning about leadership!

## February 12

Energetic facilitator, Kenya Masala will teach us life lessons through an amazing drum circle. We will beat on drums and dance with glow sticks. This activity will take place at the 4H Ropes Course (1985 W. Fl Lowell) from 5-8. Cost \$10

## February 13

This all day event will take place at Florida Station in the Santa Rita Experimental Range (about 1 hour south of Tucson). Throughout the day youth will participate in amazing workshops taught by some of Tucson's outstanding outdoor educators.

- Arizona State 4H, Kirk Astroth
- Arizona-Sonora Desert Museum, Amy Orchard
- Ironwood Tree Experience, Eric and Suzanne Dhruv
- Navajo County 4H, Meckenzie Helmandollar
- New Mexico State 4H Officers
- Pima County Cooperative Extension, Arizona Nutrition Network, Cheralyn Schmidt
- Physics Factory, Erik Herman
- Pro Neighborhoods, Scott Lunn
- School of Natural Resources and the Environment, Kristin Wisneski
- St. Gregory College Preparatory, Fred Roberts

**Workshops will topics include: leadership, natural history, art, wilderness 1<sup>st</sup> responder, hiking, local history, and food. This activity will take place from 9-4, cost \$20.**

**You may register for either the 12<sup>th</sup> or 13<sup>th</sup> or both!**

**Please register with University of Arizona Pima County Cooperative Extension — 520-626-5161.**

**Space is limited. Registration required.**
