

**Sec. 15-1-48. A-1, Airport Zone.**

- (A) *Purpose.* This district is intended to promote the public health, safety and welfare of the general public; of increasing importance is the safety in the use of the Show Low Municipal Airport. This district is to help in the development on the airport property and to protect persons and property within the district.
- (B) *Permitted uses.*
- (1) Airport and airport operator's facilities.
  - (2) Vehicle rental establishments.
  - (3) Aircraft maintenance, aircraft manufacturing, aircraft sales, aircraft modification, aircraft storage and aircraft hangars in conjunction with an approved lease.
  - (4) Travel agencies.
  - (5) Airline administrative, sales offices, baggage handling operations.
  - (6) Fixed based operators.
  - (7) Commercial airline operations.
  - (8) Commercial flying clubs.
  - (9) Industrial development that is aerospace related.
  - (10) Public utility buildings, structures, or appurtenances thereto for public service use.
  - (11) Fire stations.
  - (12) Military uses.
  - (13) Airport related businesses.
- (C) *Property development standards.* The city council, with input from the Show Low Airport Commission, shall establish appropriate development standards.
- (D) *General provisions.* The provisions of section 15-1-44 shall apply.

(E) *Signs.* The provisions of section 15-1-45 shall apply in addition to the airport sign regulations.

(F) *Parking and loading.* The provisions of section 15-1-46 shall apply.

(G) *Plan review.* The provisions of sections 15-1-33 shall apply to all uses.

(Ord. No. 382, §§ 1 – 3, 12-20-94)

**Note**—See the editor's note following § 15-1-47.
