## Project Clean Sweep resumes

**P**roject Clean Sweep continues in June. Take advantage of this City-sponsored, community-wide beautification program, free to residents. Proof of Show Low residency is required. You must show a current utility statement or a valid driver's license listing a street address.

### Free Excess Garbage Collection

Waste Management will provide free, excess trash collection from **June 7 through June 11**. This is a quarterly service provided annually and contracted by the City with Waste Management. Only residents who are billed for City water and/or sewer services are eligible for this benefit. On a resident's normally scheduled pickup day, Waste Management will collect excess trash bags under 50 pounds each and items up to four feet long (which must be bound if there is more than one item), placed next to the polycarts. The next two collection weeks for Show Low residents are September 6 through September 10 and December 27 through December 31, 2004.

### Free Bulky Item Pickup

From **June 14 through June 18**, City employees and volunteers will collect bulky items from residents who have arranged a pickup. Any large, unwanted appliances, furniture, tires, etc. will be accepted. The City, however, will not accept any hazardous materials, including liquid paints, oils, pesticides, herbicides and household cleaning products. Unlike "Cash for Trash," residents will not be paid for these items.

Any bulky items left for collection and disposal by Waste Management will be charged \$20 per item, so **residents wanting to use the City's free service must contact David Franson at 532-4042 or Carson Harris at 532-4051 no later than 5 p.m., June 10**. If no one is available, leave a message with your name, physical address, and home telephone number to request a pickup. Place all items for pickup next to the curb in front of your residence.

### Free Dumpster Use

The City has contracted with Waste Management to place large dumpsters at two locations, City Hall and the Elks Lodge, from **June 17 through June 19**. The dumpsters are for Show Low residents' use only so please bring a current utility statement or a valid driver's license listing a street address.

Debris and materials from construction sites and other commercial refuse will not be allowed. Hazardous materials, including pesticides, herbicides, oils, liquid paints and household cleaning products, are prohibited. Automobile tires and old car batteries may be placed beside, not in, the dumpsters for disposal. The dumpsters will be monitored by City employees to ensure compliance and to arrange for them to be emptied as necessary.

This is a prime opportunity to clean your property of excess trash, unused items, and yard debris. Together we can keep Show Low beautiful.

## Unofficial election results

*(Editor's note: At press time, only unofficial results were available. The official vote was canvassed by the Show Low City Council at a special meeting on May 25, 2004. Check the City's Web site at [www.ci.show-low.az.us](http://www.ci.show-low.az.us) or City 4 TV for official results.)*

**A**t the May 18 General Election, voters flocked to the polls to cast their votes for Show Low's first directly elected Mayor and to fill three City Council seats.

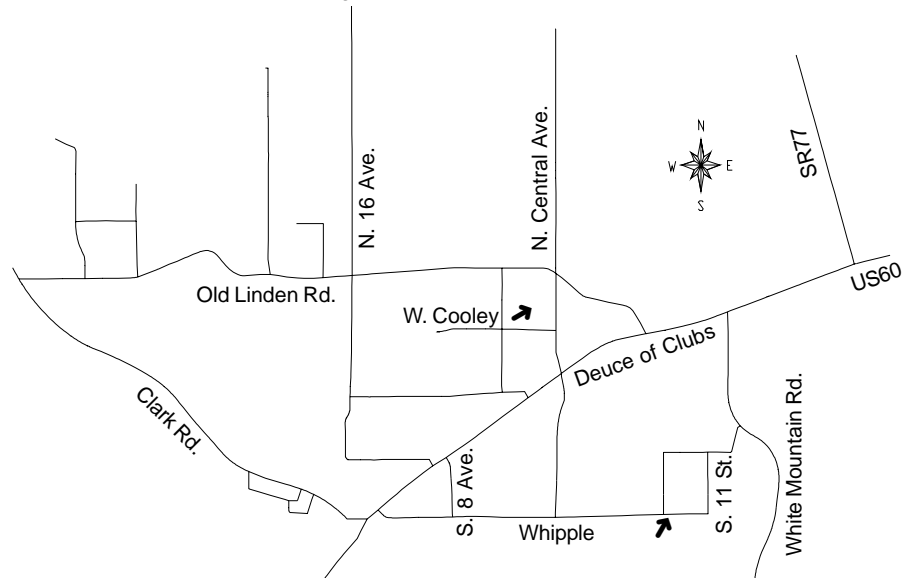

For Mayor, two candidates' names appeared on the ballot (John Corder and Rick Fernau) and there were two write-in candidates (Freddy Lara and William Thomas). Based on unofficial results, Show Low's Mayor is Rick Fernau.

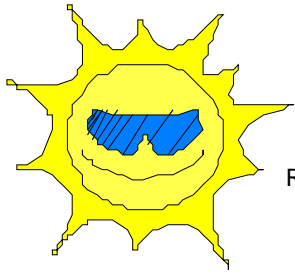

Six candidates ran for three Council seats—Michael Aroner, Gordon Kearn, Darrell Purcell, Daryl Seymore, Michael Sipes, and Gerry Whipple. Based on unofficial results, the three winners are
